

Italian Festival of Angels Mission

Our Group seeks to perpetuate cultural identity and solidarity within the Italian American Community and to propagate unity and cooperation among Italian Americans. The North Haven Sons and Daughters of Italy Lodge 2805 Italian Festival of Angels is intended to embody the attributes of generosity and goodwill that define the Italian spirit.

While we maintain many of our Italian traditions, we are now an ethnically diverse family, striving to best use the vitality of our youth, the talents of our adults, and the wisdom of our senior members.

We feel that this Lodge and Festival will provide an important community service to the town of North Haven and our surrounding communities, as well as sustain the social vitality and cultural vibrancy of our Italian American heritage by strengthening family life, uplifting human services, binding together the diverse historical traditions of Italians and honoring the legacy of Italian immigration to the United States.
